*T*his web portfolio includes exmpales of my work in Mr. Figueroa's Communication Design class. It also includes my reflictions (below) on waht I learned in each unit of the course.

Unit 2

In this unit we learned how to structure our website and how to code HTML website. The key concepts that we learned in Unit 2 are:

1. Important tags
2. Construct Tables
3. Insert Videos and add captions

Unit 3

In this unit we learned about how to modify our style sheet. Such as
